**MEMORANDUM OF UNDERSTANDING BETWEEN
THE CITY OF RIVERSIDE
AND
SERVICE EMPLOYEES' INTERNATIONAL UNION
RIVERSIDE CHAPTER LOCAL 2028
(SEIU)**

PREAMBLE

This Memorandum of Understanding is entered into with reference to the following facts:

- A. Representatives of Management for the City of Riverside (hereafter "City") and representatives of the Service Employees International Union, Riverside Chapter Local 2028 (hereafter "Union") have met on a number of occasions and have conferred in good faith exchanging proposals concerning wages, hours, fringe benefits and other terms and conditions of employment of employee-members represented by the Union.
- B. The management representatives and the representatives of the Union have reached an understanding as to certain recommendations to be made to the City Council for the City of Riverside and have agreed that the parties hereto will jointly urge said Council to adopt one or more resolutions which will provide for the changes in wages, hours, fringe benefits and other terms and conditions of employment contained in these joint recommendations.

THEREFORE, the representatives of the City and the Union agree as follows:

The parties hereto shall jointly recommend to the City Council of the City of Riverside that one or more salary resolutions be adopted effectuating the following changes in salaries, fringe benefits and other terms of employment for the employee-members in the Solid Waste Division bargaining unit represented by the Union.

**ARTICLE 1
SALARIES**

- A. Effective as of the payroll hereinafter set forth, the salary ranges for the classifications of employees in the bargaining unit represented by the Union shall be increased to the nearest salary range in the City's salary rate schedule reflecting the following increases:
 - 1. Effective May 12, 2004, the salary ranges of unit employees shall be increased by 2.5%.
 - 2. Effective July 1, 2005, the salary ranges shall be increased by 2.5%.
 - 3. For fiscal year July 1, 2006 through June 30, 2007, there will be a re-opener on salaries, medical, dental and retirement fund. This re-opener shall occur no later than March 31, 2006.

**ARTICLE 2
TEMPORARY UPGRADE
(GENERAL / REFUSE UNITS)**

- A. For those employees in the General Unit or Refuse Unit, temporary increases in salary shall be given as follows:
1. A temporary 5% increase shall be given to field employees during periods when said employees temporarily assume the duties of first level field supervisory employees when such duties primarily involve supervision; which temporary increase shall commence on the morning of the second day of such temporary duties.
 2. A temporary 5% increase shall be given to a Solid Waste Collector I during periods when said employee temporarily assumes the duties of a Solid Waste Collector II; which temporary increase shall commence on the first day of said temporary duties, provided a full shift or full route has been completed.
 3. Upon completion of training, regular employees classified as Solid Waste Collectors I and II shall be paid an additional five percent (5%) for a total of ten percent (10%) beginning with the thirteenth (13th) shift and thereafter of temporary assignment to the duties of Solid Waste Collector III. The twelve shift threshold need only be met once per affected employee to trigger the ten percent (10%) temporary upgrade.

**ARTICLE 3
GROUP HEALTH INSURANCE PROGRAMS**

- A. During the term of this agreement, the City shall make the following maximum contributions, if needed, for eligible unit members and their qualified dependents, if any, toward the payment of premiums on group health insurance plans:
1. Effective the first pay period in December 2004, the health contribution for Employee+1 will be increased by \$30.00 to \$563.00, and the health contribution for Employee+2 or more will be increased by \$100.00 to \$633.00.
 2. Effective the first pay period in December 2005, the health contribution for Employee+1 will be increased by \$50.00 to \$613.00 per month and for Employee+2 or more by \$100.00 to \$733.00 per month.
 3. For the fiscal year 2006-2007, there will be a re-opener on health contribution.
 4. The provisions of Article 3A1 through 3A3 above do not apply to those pay periods when premium contributions are not made.
- B. Dental Insurance: During the term of this agreement the City shall make the following contributions for eligible unit members and their qualified dependents, toward the payment of premiums on a group dental insurance plan:

1. Effective December 2004, increase by \$15.00 to \$50.00 per year for Employee+1 and by \$15.00 to \$65.00 for Employee+2 or more.
 2. December 2005 increase by \$15.00 to \$65.00 for Employee+1 and by \$15.00 to \$80.00 for Employee+2 or more.
 3. The provisions of Section B1 above do not apply to those pay periods when premium contributions are not made.
- C. Life Insurance: The City will provide a term life insurance policy of \$10,000. The policy is available only for permanent full-time employees after completing one month of service.
- D. Part-time Employees: The City's contributions for group health and dental insurance for regularly employed part-time employees who attain permanent status shall be pro-rated as follows:
1. One-half (1/2) for employees regularly scheduled to work between 20 and 29 hours per week;
 2. Three-fourths (3/4) for employees regularly scheduled to work between 30 and 39 hours per week.
- E. Deferred Compensation: The City shall continue to provide its deferred compensation plan for bargaining unit employees.
- F. Employee Assistance Program: Management and the Union recognize that employees and/or members of an employee's family can develop problems which include, but are not limited to, substance dependency, including alcohol, tobacco, drugs or chemicals; mental or emotional distress; marital or family problems; and financial or legal problems.

Management and the Union support the idea of an Employee Assistance Program (EAP) designed to aid in identifying such problems and to provide the appropriate treatment or referral to a resource able to treat the identified problem.

As of the present, the City's EAP is available to employees without charge. However, treatment sources or resources are traditionally subject to charge, all or a portion of which may be covered by the employee's health insurance policy.

The EAP is not a party to this agreement; however, Union and management support of the EAP concept is premised, in part, upon their reliance on EAP's respecting the confidentiality of employee communications, referrals and treatment. Such confidentiality remains subject to the normal exceptions provided by law, related to litigation or in connection with a "last chance" or similar type agreement between the City, the Union and/or the employee.

- G. Retirement: The unit employees are part of the City's PERS retirement plan. Current plan is the 2.7% at age 55 formula.

H. Health Insurance Contribution Fund for Retirees

1. Effective as soon as practicable following ratification of this Agreement, the City will establish the City of Riverside/SEIU Local Chapter 2028 Health Insurance Premium Contribution Fund (Fund) for retirees in the amount of \$10,000. Such contribution to be prudently invested. (This provision was complied with in 1999 and in July 2002 per MOU provisions of those years.)
2. Provide a .25% contribution per full-time employee effective January 1, 2005 and by .25% effective January 2006.
3. Effective January 2006 the City shall contribute \$3,000 to the retiree fund and another \$3,000 in January 2007.
4. The principal of the Fund will be used to help pay premiums for group health insurance for employees who retire from bargaining unit classifications on or after the effective date of this Amendment to Agreement.
5. For eligible retirees the Fund shall contribute up to \$100 per month.
6. Under no circumstances shall the Fund contribute an amount which exceeds the dollar amount then being contributed to current active employees at the employee-only rate.
7. In order to be eligible an employee must also meet the following eligibility requirements:
 - (a) An employee who receives a service retirement or a non-industrial disability retirement must have at least 20 years service with the City of Riverside and must have retired from the City;
 - (b) Subject to the following provisions, an employee who receives an industrial disability retirement will be eligible after years of active service plus years on disability retirement equal to 20, provided that the industrial disability retiree has served a minimum of five (5) years with the City of Riverside. Years of active service may include up to five (5) years of public agency service during which service the retiree was also eligible to be covered by the PERS retirement system. The SEIU/City advisory group may make exceptions to the total years of service requirement for industrial disability retirements in case of catastrophic injury or other compelling circumstances. In the event the advisory group is deadlocked on any such question the matter shall be referred to the then chairperson of the City's Human Resources Board whose decision shall be final.
8. The spouse of a retiree for whom the City is making contributions may elect, upon the death of the retiree, to continue in the same plan for up to five (5) years at his/her own expense.

9. A retiree who is eligible for coverage under a different plan by virtue of his/her own employment or spousal employment is not eligible for such contributions during the period of such coverage.
10. It is contemplated that retirees who are temporarily disqualified under paragraph 7 above may, at some time, no longer be ineligible under that criteria. In such event, if, during the period of ineligibility they did not maintain coverage in a City-sponsored health program at their own expense, they may apply for readmission to a City-sponsored health insurance program for retirees. If the insurer won't let them back in and they qualify for and obtain an individual program of medical insurance, they will then be eligible for appropriate contributions from the Fund for so long as they remain insured and eligible. Neither the Union nor the City is a guarantor of readmission or admission to a City-sponsored health plan nor to any other health insurance plan.
11. The City will not be requested to augment this particular fund except as follows:
 - (a) When the amount in the Fund equals or is less than the equivalent of a one-third of one percent salary increase for the bargaining unit, the Union may request that the remainder of the Fund be applied to the salary schedule; or in connection with the next negotiations, propose that a new Fund be established or that the amount in the Fund be increased.
 - (b) If the trigger point has been reached (Fund equals one-third of one percent salary increase) and there is a significant chance the Fund may exhaust itself before expiration of the then current Memorandum of Understanding, the Union may request a re-opener limited to the issues of retiree health insurance fund and salaries.
12. There is no entitlement to benefits hereunder beyond the funded amount. The continuation of this benefit is subject to the negotiation process and may be terminated through negotiations or by exhaustion of the Fund amount. In such event, the retiree will have no further right or entitlement to a continuation of this benefit.
13. This Section H, titled "Health Insurance Premium Contribution Fund for Retirees," is subject to the savings and separability language of this MOU and it is understood and agreed that the voiding of one or more components of this program will not automatically void the remaining components of the program.
14. A joint Union/City Advisory Committee will review claims for contributions and decide disputed claims; and shall be provided with periodic reports as to the status of the Fund. The Committee will consist of two (2) members appointed by the Union and two (2) members appointed by City Management. In the event of deadlock, the matters shall be referred to the then chairperson of the City's Human Resources Board, whose decision shall be final.
15. The establishment of this Fund is based upon the principle that it is "governmental" and, therefore, exempt from ERISA. Any effort or enactment to bring this Fund under ERISA will cause the immediate dissolution of the Fund with one-half the remaining principal to be distributed in equal lump sums to the participating members and one-half to revert to the City.

16. The City's obligation is limited to contributions; it is not a guarantee of coverage. The City reserves the right to provide alternate plans and carriers, including a plan geared specifically for retirees.

ARTICLE 4 HOURS

- A. Incentive Program: The City's right to assign routes, pick-ups, and to schedule refuse related work is not limited by the incentive program. Heavy pick-up appointments (in lieu of Fall/Spring clean-up) will be prescheduled. The City's team approach to picking up additional routes or portions of routes when employees are absent shall remain in effect. SEIU (the Union) may defer matters related to this clause for review at Labor Management Committee meetings. The department retains the discretion to send all or a part of a crew home without loss of pay when assigned work has been completed. This does not change current practice.
- B. Overtime: All hours assigned, authorized and actually worked in excess of ten (10) in any one workday shall be paid for at one and one-half (1-1/2) times the employee's regular hourly rate in any work week during which the employee is not absent for any reason other than holiday or vacation; in such work weeks when the employee is absent for a reason other than holiday or vacation, the general rule shall apply as follows: employees shall be paid one and one-half (1-1/2) times their regular hourly rate for all hours assigned, authorized and actually worked in excess of forty (40) hours in any one workweek. See Article 15, Holidays, for specific provisions related to holiday time.
1. The Department will attempt to distribute overtime assignments as equally as practical under the circumstances of the following sections:
 - (a) The Department will provide the Union a payroll generated report of all overtime hours worked on a monthly basis for employees covered by this agreement.
 - (b) The Department will maintain a list of bargaining unit employees who are eligible to work overtime beginning with the most senior employee.
- C. Call Time: A permanent, part-time employee who is directed to report for work and, upon reporting, is sent home because there is no work, shall be paid for two (2) hours pay at the straight time rate.

ARTICLE 5 OPEN ROUTES

- A. When there is a vacancy on a route, employees may submit a bid for the vacancy. The most senior qualified employee submitting a bid will be offered the route, subject to the following conditions:
1. There is no classification change; and

2. As a result of the initial vacancy only two employee switches are accomplished through this provision; the remaining vacancy or vacancies may be filled by department assignment.

ARTICLE 6 BARGAINING UNIT MODIFICATIONS

- A. Minor modifications to the bargaining unit may be made provided all affected parties agree.

ARTICLE 7 AUTOMATION

- A. Effective the date of agreement, new automated routes will be assigned in the following order:
 1. Solid Waste Collector III's in order of department seniority.
 2. Solid Waste Collector II's shall be assigned to Solid Waste Collector III's in order of seniority with the following restrictions:
 - (a) With no discipline imposed within the preceding 12 months.
 - (b) Whose overall ratings have been satisfactory or above for the preceding 12 months.
- B. Solid Waste Collector I's promotion to Solid Waste Collector II or III are subject to the conditions of 2(a) and (b).
- C. Solid Waste Collector I's and II's shall be subject to a promotional probationary period when assigned to Solid Waste Collector III (automated route).

ARTICLE 8 TRAINING

- A. The City's training programs and opportunities will be open to bargaining unit employees on the same basis as other City employees. The parties may utilize the Management-Labor Committee for suggesting training areas and courses.
- B. The City agrees to provide training opportunities to this bargaining unit with the specific goal of providing enough training to qualify employees for transfer into other departments within the City.

ARTICLE 9 JOB SECURITY

- A. During the life of this Memorandum of Understanding, the City will not privatize its current refuse collection routes so as to displace or reduce the total number of current regular staff. Should there be circumstances beyond the control of the City or SEIU 2028, which may potentially impact rate structure, the parties shall meet to discuss the City's plan to address this.
- B. Should the City decide to proceed with a contracting decision, whenever possible, the City will transfer employees who would otherwise be laid off, displaced or demoted to another position within the City.
- C. In the event that any employee that would otherwise be laid off, demoted, or displaced is not transferred to another position in the City; that employee(s) will be placed on a preferential hiring list for comparable positions and others that the employee qualifies for, until another position becomes available. The City will provide referrals for job placement and career counseling, training, and job fairs when no placements are available. Additionally, the City recognizes that certain employees will require retraining or certification in order to be placed in other positions.

ARTICLE 10 GRIEVANCE PROCEDURE

- A. A grievance is an allegation by a unit member or members or the Union that he/she/they has (have) been affected by a violation, misinterpretation or misapplication of the specific written provisions of this Memorandum of Understanding, the City's Salary and Fringe Benefit Resolution or the City's written personnel policies. Disciplinary action against permanent employees is also subject to this procedure.

Only personnel evaluations which result in a denial or postponement of a pay increase are specifically included in this procedure. Excluded from this procedure are the City's Employer-Employee Relations Resolution and administrative regulations implementing the City policies unless specifically prohibited by or in contradiction of the specific written provisions of this existing Memorandum of Understanding or the City's salary and fringe benefit resolutions.

- B. Time Limits: The time limits herein are maximum time limits; however, time limits may be extended by mutual agreement. In the event the grievant fails to meet a time limit, such failure shall constitute a waiver of the grievance. In the event the City fails to meet a time limit, such failure shall allow the grievant to proceed to the next level of the grievance procedure.
- C. Informal Step: Except for disciplinary matters, the grievant(s) shall first attempt orally and informally to resolve the matter with the immediate supervisor. If there is no satisfactory resolution, the grievance may proceed to Step One subject, however, to the time limits outlined therein.

- D. The written grievance shall contain a statement of the grievance, the specific provisions, resolutions section and/or policies allegedly violated, and the specific remedies sought.
- E. Step One: No later than ten (10) working days following the act or omission giving rise to the grievance, or no later than ten (10) working days following the date upon which the employee reasonably should have known of the act or omission, the grievant must present such grievance in writing on an appropriate form to the Department Head. The Department Head shall communicate a written decision to the employee within ten (10) working days after receiving the grievance.
- F. Step Two: In the event the grievant is not satisfied with the decision in Step One, the grievant may appeal the decision to the Municipal Employee Relations Officer (hereafter "MERO") within ten (10) working days of receiving the department head's written answer or the date the answer should have been delivered.
- G. The MERO shall communicate a written decision within ten (10) working days after receiving the appeal.
- H. Step Three: If the grievant is not satisfied with the decision of grievance at Step Two, the grievant may request that the Union submit the grievance to binding arbitration. The Union shall have exclusive authority to determine whether a grievance shall be taken to arbitration. If the Union elects to proceed, it must so request in writing to the MERO within thirty (30) working days after the Step Two decision was or should have been rendered.
- I. In the event the parties are unable mutually to agree upon an arbitrator within ten (10) working days after referral to arbitration, they shall request a panel of seven (7) names be submitted to both parties by the California State Conciliation Service. Upon receipt of the list of names, the parties shall alternately delete names from the list until only one remains, and said last named shall be selected as the arbitrator.
- J. The arbitrator's decision shall be final and binding upon the parties hereto, and shall be in writing and shall set forth his findings of fact, his reasonings, conclusions and remedy. The arbitrator's authority shall be limited to deciding the issues submitted by the parties; if the parties are unable to agree on the issue, each party shall submit a proposed statement of the issues to the arbitrator who will then determine the issue by selecting one party's statement or determine the issue by stating it prior to concluding the taking of evidence; the arbitrator shall have no jurisdiction or authority to add to, delete from or modify the specific written provisions of the Memorandum of Understanding, City's Salary and Fringe Benefit Resolution or the City's written personnel policies.
- K. Costs for the service of the arbitrator, including, but not limited to fees, per diem expenses, travel and subsistence expenses, a transcript and the cost of a hearing room, if any, will be borne equally by the parties. All other costs will be borne by the party incurring them.
- L. The Grievance/Arbitration procedure is the exclusive remedy for resolving the issues contained in the grievance. While the decision of the arbitrator herein is final and binding, nothing in this agreement shall preclude the parties from seeking to confirm, vacate or correct the arbitrator's award pursuant to the California Code of Civil Procedure, section 1285, et seq.

- M. Miscellaneous: A unit member may be represented at all stages of the grievance procedure by himself prior to the Arbitration Step or, at his/her option, by representatives provided by the Union. In this procedure any reference to grievant means grievant and/or his/her representative.

ARTICLE 11 NO-STRIKE / NO LOCKOUT

- A. Both the City and the Union recognize the continuing obligation to provide refuse service to the City of Riverside. Accordingly, during the term of this agreement, the Union, its officers, agents, representatives and/or members agree they will not cause, condone or participate in any strike, walk out, work stoppage, job action, slowdown or sick-out, including compliance with a request of any other labor organization to engage in any or all of the preceding activities; provided, however, that it shall not be a violation of this agreement for individual employees to refuse to cross a lawful primary picket line established by a labor organization in connection with its dispute against an employer other than the City of Riverside.

During the term of this agreement, the City agrees it will not lock out employees represented by the Union.

ARTICLE 12 MANAGEMENT / UNION COMMITTEE

- A. The City and the Union will maintain a Management/Union committee comprised of eight (8) members. The City's team shall consist of representatives from the City Manager's office, the Human Resources Department, and the Public Works Department. The Union shall provide four (4) members to sit on its committee, at least three of which must be employees of the City. This committee shall meet at least quarterly to discuss matters of concern to both management and the Union and a written summary of each meeting shall be prepared by the City. The committee shall have the authority to agree upon appropriate resolution of problems brought to its attention and affecting day-to-day concerns at both the City and the Union. In so doing, the committee shall be authorized to schedule meetings more frequently than the quarterly ones required herein in order to expeditiously respond to concerns properly before the committee.

ARTICLE 13 NON-DISCRIMINATION

- A. Neither the City nor the Union will discriminate against employees on the basis of race, color, religion, sex, national origin or sexual preference (sexual preference as used herein is limited to heterosexuality, homosexuality, and/or bisexuality).

ARTICLE 14 VACATION

- A. Full-time permanent employees are eligible to accrue vacation pursuant to the following schedule:

<u>Continuous Years of Service</u>	<u>Vacation Weeks Earned</u>
0-5	2
6-10	3
11+	4

Employees who have been in the continuous employ of the City for six (6) full months shall receive annual working day vacation calculated on the following basis:

1. During each of the first five (5) years of continuous employment, 80 hours of vacation per year accumulated as follows: 6.6 hours per month; provided, however, the rate for the last month of each quarter shall be 6.8 hours.
2. During each of the next five (5) years of continuous employment following the first five (5) years, 120 hours of vacation per year accumulated at the rate of 10.0 hours per month.
3. During each of the following years of continuous employment after the first ten (10) years, 160 hours of vacation per year accumulated at the rate of 13.3 hours per month; provided, however, the rate for the last month of each quarter shall be 13.4 hours.
4. Employees in the continuous employ of the City for six (6) full months (other than temporary and seasonal employees) regularly employed between 20-29 hours per week, earn vacation at one-half the regular rate; those regularly employed between 30-39 hours per week earn vacation at three-fourths the regular rate.
5. Vacation shall be scheduled and approved by the department head. Employees may be permitted to take earned vacation leave within the same calendar year in which it is earned with the approval of the department head. No paid vacation leave shall be allowed except earned vacation leave. If on January 1 of each year, an employee has in excess of two years accumulation, it will be mandatory that the department head schedule that employee on vacation so that the vacation balance held by the employee will be reduced to no more than two years accumulation by March 1 of that year.
6. During the period of June 15 through September 15 only, employees will be allowed to take two weeks maximum vacation time to allow more employees to be able to take vacations during those months.

Any such decision on the part of the Union shall not diminish the Union's indemnification obligations under this agreement.

The City, immediately upon receipt of notice of such legal action, shall inform the Union of such actions, provide the Union with all information, documents, and assistance necessary for the Union's defense or settlement of such action, and fully cooperate with the Union in providing all necessary witnesses, experts and assistance necessary for such defense.
